In a rapidly changing manufacturing industry, international producer and supplier of coconut products Silvermill joined hands with IFS to embark on a digital transformation journey, embracing cloud-first, modern technology to ensure productivity and business continuity amid the pandemic.

Suresh Silva, Managing Director, Silvermill Group of Companies, said, “We are excited to embark on this journey of digital transformation with IFS, whose technology has been underpinning our operations since 2015. A diversified business such as ours requires robust and user-friendly tools to ensure there is only one version of the truth. We are excited to be using the new IFS Cloud product, which will help our company through our next phase of growth.”
