

Special Notice on Airports Closure & Visas

The Government of Sri Lanka has decided to indefinitely extend the closure of the arrival terminal at the Bandaranaike International Airport (BIA). The departure terminal will continue to be operational. All passenger transit operations have been temporarily stopped. All types of visa issuance for all foreign nationalities to enter Sri Lanka will be suspended until further notice. All foreign nationals who have obtained a valid visa but have not arrived in Sri Lanka yet will not be allowed to enter Sri Lanka and their visas remain suspended until 31st March 2020 2359 hrs (Local time in Sri Lanka)

The Government of Sri Lanka has announced a one-month extension of all types of visas for those foreign nationals presently in Sri Lanka, from the date of expiry of their present visas.
